2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Department of Public Health Powers and
5 Duties Law of the Civil Administrative Code of Illinois is
6 amended by adding Section 2310-637 as follows:

7 (20 ILCS 2310/2310-637 new)

8 Sec. 2310-637. Required cardiac screening. Each licensed
9 health care professional who performs a physical examination of
10 a person 19 years of age or younger, whether that examination
11 is performed annually or pursuant to the requirements of
12 Section 27-8.1 of the School Code, shall include as part of
13 that examination questions that evaluate the person's family
14 history related to cardiac conditions contained in the current
15 version of the Preparticipation Physical Evaluation Form
16 developed jointly by the American Academy of Family Physicians,
17 American Academy of Pediatrics, American College of Sports
18 Medicine, American Medical Society for Sports Medicine,
19 American Orthopaedic Society for Sports Medicine, and American
20 Osteopathic Academy of Sports Medicine. The Department is
21 required to develop a cardiac screening professional
22 development module in consultation with certain health care
23 associations to be determined by the Director.

1 For the purposes of this Section, "licensed health care
2 professional" means a physician licensed to practice medicine
3 in all its branches under the Medical Practice Act of 1987, a
4 physician assistant under the Physician Assistant Practice Act
5 of 1987, or an advanced practice nurse under Article 65 of the
6 Nurse Practice Act.
